

CPD EVENT RECORD

HEADACHES AND THE EDACHE PROJECT

with Liz Huzzey

Live Event:
*Learning
With Others*

Summary

This discussion provided an update on the EdAcHe project, which was set up to improve levels of awareness about headaches: types, red flags, diagnostic criteria and treatment options.

The discussion also covered mechanisms of action for specific types of headache and how the overall project had helped raise awareness in the wider medical community of the role played by manual therapists and acupuncturists.

The opportunities for future involvement were explained.

Chiropractic Code 2016

A Put the health interests of patients first
