

CPD EVENT RECORD - LEARNING WITH OTHERS

Case Based Discussion

No Guest found for this post.

LIVE EVENT

26th November 2024

50
minutes

Summary

This discussion was concerned with safe and effective patient handling when presented with unusual challenges. In one case, an acrimonious separation, together with allegations of abuse, meant that a couple had to be handled carefully in clinic and practitioners protected from potential harm. In the other a chaperone stated that they wished to identify as non-human. Communication and safeguarding issues were key in both cases.

NICE Guidelines: .

Principles and Standards of Practice

OSTEOPATHIC THEMES (Osteopathic Practice Standards 2019)
