

CPD EVENT RECORD - LEARNING WITH OTHERS

CLINICAL SUPPORT DISCUSSION

with Claire Short

LIVE EVENT

9th April 2025

50
minutes

Summary

This event covered clinic hygiene standards post-COVID and the complexities of run-off insurance coverage for medical practitioners after retirement or death. It highlighted patient safety, responsibilities for claims involving children, and clarified hygiene practices using NHS guidelines as a yardstick. The discussion emphasised clear, practical hygiene standards and identified the need for further clarification on extended insurance coverage.

Evaluation, Reflection and Impact on Practice *(this part of the certificate is **not** automatically generated - it has been entered by the participant)*

This discussion has improved my understanding of hygiene obligations and clarified my responsibilities regarding run-off insurance, particularly for incidents which come to light after retirement. In the light of what was discussed, I will reassess the hygiene measures I have in place in my clinic.
