University College of Osteopathy

Communication and consent essentials- 6 February 2023

Summary of Osteopathic Practice Standards and other CPD elements covered

A Communication and patient partnership A1, A2, A3, A4, A5, A6, A7

B Knowledge, skills and performance B1, B2, B3, B4

C Safety and quality in practice C2, C4

D Professionalism D1, D2, D5, D7, D10

Learning objectives

- To understand consent in the context of person-based care, medical ethics and the Osteopathic Practice Standards.
- To explore the consent process and risk related information giving.
- To enhance practice through practical application of communication skills

Reflection

- What were your reasons for undertaking the activity?
- What knowledge and skills did you gain?
- What impact is this activity likely to have on your practice as an Osteopath?
- Has the activity highlighted any other learning needs and if so how will these be addressed?
- Overall reflection
