

CPD EVENT RECORD

COLOURS, LOGOS AND WEBSITES - COMMUNICATING YOUR BRAND

with Trudie Avery

Live Event:
Learning
With Others

Summary

This event was all about how use of colour and design influences the way a prospective patient might view one's services. The pros and cons of different colour combinations, logo designs and websites were discussed. The effect of different email styles was also mentioned. The merits of home or amateur design and professional work were compared.

Academy
of PHYSICAL MEDICINE

Evaluation, Reflection and Impact on Practice (this part of the certificate is **not** automatically generated - it has been entered by the participant)

Although this was not medically related, the training has an indirect on my ability to help patients: sensitive branding might encourage more people to try my services; it might inspire greater confidence, leading to better outcomes; and the reassurance I have had over the design of my website etc frees me up to treat more patients.
