

CPD EVENT RECORD

INSURANCE

with Nick Elwell

Live Event:
Learning
With Others

This different types of insurance policies legally required and likely to be necessary were outlined. Important points, such as vicarious liability, run-off cover and indemnity to principal, were also explained, and a check-list of important considerations was provided.

Concerns about treating high-value patients such as professional athletes were addressed.

Evaluation, Reflection and Impact on Practice (this part of the certificate is **not** automatically generated - it has been entered by the participant)

A very helpful reminder of my legal obligations in terms of insurance, together with useful information about what else I might expect from my policies. I will use this information to make sure that both I, my colleagues and my patients are properly protected.
