

CPD EVENT RECORD

DOMESTIC ABUSE

with Natriece Wittich

Recording:
*Learning
by Oneself*

Domestic abuse is a widespread problem and inevitably some victims will present as patients. This discussion explained how to recognise the signs, both verbal and physical, and develop a conversation appropriately in order to get help and protection for those affected. Strategies for giving victims the opportunity to talk in circumstances where their partner/abuser was present were described. Different types of abuse were outlined and the range of victims/abusers described.
