

CPD EVENT RECORD

TREATING COCCYGEAL PAIN

with Dr Stephen Sandler PhD DO

Live Event:
Learning
With Others

Summary

The discussion covers the diagnosis and treatment of coccygeal pain, focusing on differential diagnosis, the use of internal adjustment techniques, and the importance of obtaining patient consent. It emphasizes the need for accurate diagnosis, exploring both external and internal treatments, and highlights ethical considerations, communication, and professionalism in handling coccyx-related conditions.
