## CHIROPRACTIC REGULATION

with Nick Jones, GCC Registrar

Live Event:  
Learning  
With Others

### Summary

This discussion with Nick Jones, Chief Executive of the General Chiropractic Council, covers the role and approach of the GCC in regulating chiropractic practice in the UK. Topics include the balance between protecting public safety and supporting the profession, fitness to practice processes, interprofessional relations, and future regulatory reforms. The conversation also explores challenges in maintaining professional candour, implementing educational standards, and revising the chiropractic code to reflect modern healthcare needs.
